# BATH

*Svietidlá zo skupiny BATH prinášajú dostatok svetla do všetkých kúpeľní. Vo väčšine prípadov, kedy je v kúpeľni nedostatok prirodzeného svetla, je výber kúpeľňového osvetlenia mimoriadne dôležitá vec. Pomer vysokej kvality a nízkej ceny svietidiel sme zachovali aj v tejto kategórii.*

*Lamps from the group BATH bring enough light in all bathrooms. In most cases, when it is in the bathroom lack of natural light, the choice of bathroom lighting extremely important thing. The ratio of high quality and low prices, we maintained luminaires also in this category.*
